

34° Crispbread... the most clever crackers.

"34 Degrees Crispbread is an absolutely perfect accompaniment to American artisan cheese."

David Gremmels, Cheesemaker, Rogue Creamery

"The delicate but appetizing flavor and texture of 34 Degrees Crispbread enhances our cheese rather than competing with it. It is the perfect complement for our products!"

Mary Keehn, Cheesemaker, Cypress Grove Chevre

"Cheesemakers look for understated crackers to highlight the attributes of their cheese. The crispbread are subtle, not filling, and perfectly elegant to pair with a special artisan goat cheese."

Allison Hooper, Cheesemaker, Vermont Butter & Cheese

Using a handful of natural ingredients, we carefully bake our wafer-thin crackers until they are subtly toasty and overtly tasty.
